Mystery Object Challenge

You're the Detective!

SEE, THINK, WONDER

Observations - What do you SEE?

Look closely at the picture of your object. Describe all the details you can see. Include information about (colour, shape, size, materials, texture, design, any damage)

Reflection - What do you THINK?

Use your observations and your past experience to try to answer these questions: WHO made it or used it? WHAT was it used for? WHERE is it from? WHEN was it used? WHY is it in the museum? WHY is it important or in a museum? What would you name this object?

Your personal thoughts and connections are unique and important! What does it remind you of? What connections can you make?

Research:
Fill in the table below with the information you found out in your research. You may not be able to find out all
the information about your object.
Object name:
Category/Classification:
Materials:
When is it from? (date):
Where is it from? (site made):
Who made it? (maker):
Any writing on the object?:
Now that you have done some reading on your object, tell us more about what it was used for. Also write about
why you think this object is important enough to be in a museum.

Wonder – What questions do you have?

If you could ask any question to the person who made or used that object what would you ask? Where could you look to find out more?
