

Beyond Classrooms Kingston Presents

Museum at Home:

See, Think, Wonder Scavenger Hunt

Instructions: Find 8 interesting objects in your home. For each object, use the See, Think, Wonder method. Draw a picture of the object and write down your thoughts.

Object 1

Sketch:

See: What do you notice?

Think: What do you think this object was used for or why is it important?

Wonder: What questions do you have about it?

Object 2

Sketch:

See: What do you notice?

Think: What do you think this object was used for or why is it important?

Wonder: What questions do you have about it?

Object 3

Sketch:

See: What do you notice?

Think: What do you think this object was used for or why is it important?

Wonder: What questions do you have about it?

Object 4

Sketch:

See: What do you notice?

Think: What do you think this object was used for or why is it important?

Wonder: What questions do you have about it?

Object 5

Sketch:

See: What do you notice?

Think: What do you think this object was used for or why is it important?

Wonder: What questions do you have about it?

Object 6

Sketch:

See: What do you notice?

Think: What do you think this object was used for or why is it important?

Wonder: What questions do you have about it?

Object 7

Sketch:

See: What do you notice?

Think: What do you think this object was used for or why is it important?

Wonder: What questions do you have about it?

Object 8

Sketch:

See: What do you notice?

Think: What do you think this object was used for or why is it important?

Wonder: What questions do you have about it?
